.01

Start by becoming a consumer...

.02

Share info, experiences, and information to others...

.03

...Enjoy improved health, FREE products, and REWARDS via our affiliate programme.

So simple, this one page explains all:

1. Any month you buy at least one product, you are entitled to affiliate commissions (**Referrer Rewards**) paid by MyKiwiGreen.com Ltd ("MKG") on purchases from customers you referred. Standing monthly repeat order option (**Autoship**), is not only a great way to ensure that you never forget to re-order product, but also that you are always eligible for commission and rewards each month.

The Reward Scale:

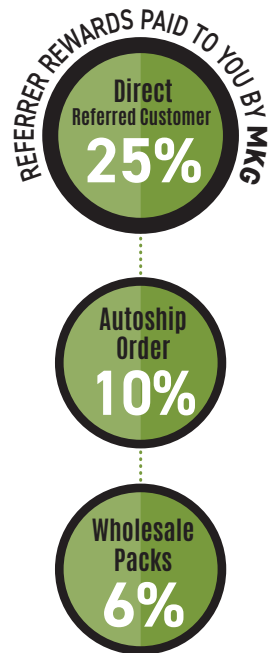

- a. Directly referred consumer's who purchase, trigger an affiliate commission of **25% on an ongoing basis for regular orders, 10% for autoship orders and 6% for wholesale pack orders.** (Potentially an ongoing reward...)
- b. If you refer **4 customers** who buy, **your product purchases may be FREE!** (4 x 25% = 100%).

2. The simplicity of 1.2.3. continues:

- a. Rewards are only paid on product purchases made.
- b. No joining fees or sign-up requirements are required.
- c. This is affiliate marketing with business development rewards for community development. NOT multi-level marketing. NOT reselling.

3. 1.2.3. continues:

- a. Rewards are earned globally across all countries that purchases are made. So global rewards are possible...
- b. Rewards are paid monthly 15th day of following month into referrer's nominated Bank account advised to MKG customer support office.
- c. The starting point is becoming a consumer yourself first by buying online. The rest is automatic.
